LONDON CHRISTIAN ELEMENTARY SCHOOL

September 2011

This month in the library....

## *September Themes:*

- red
- back to school
- apples

The library is open again for another school year with great plans for the year to come! Each grade has signed up for a weekly time slot in which to visit the library! Our volunteer schedule is almost in place for this month, and we are thankful for their help in running the library.

## *Reminders:*

Please return your SUMMER READING PROGRAM Logs to your classroom teacher by Friday Sep.16, if you kept track of the books you read this summer.

## *New Materials:*

We have a variety of magazines to check out!

A lot of new books are ready for circulation.

Do you have a good graphic novel to recommend to the library?
