

**L. C. E. S. Girls' BASKETBALL  
2011-2012**

Dear Parents,

Welcome to the girls' basketball season! This year L. C. E. S. girls' basketball team will be part of the Catholic School basketball season and we will also participate in the Woodstock District Christian School tournament, which is scheduled for Monday, January 30th, 2012 at London District Christian Secondary School.

Mrs. Betty Hamstra has volunteered to coach the girls' team. Your daughter will be coached to develop new skills, learn to play as a team member and play with a good sportsmanship.

The following are some of the expectations and requirements for the girls' team. Your child will need to come to all practices with proper gym clothing. If your daughter cannot come to practice, please contact Mrs. Laarman or the coach (You may also call the school and leave a message). She will need to show a positive attitude towards the coach and other team members and display proper conduct and attitude in games with other schools.

You will receive a schedule of all the regular season games. Games and practices will be scheduled for Tuesday and Thursdays. They will be finished around 5:00pm, so please pick up your child at L. C. E. S. (home games) or at the Catholic school where the game is being held (away games).

We will be looking for drivers to drive for away games. Please fill in the form at the bottom and send it to school if you think you might be able to drive to the away games and make note of how many players you can take in your vehicle. If you have volunteered to drive, you will need to have an insurance policy form filled out for the office.

If you have any questions or concerns, feel free to call the school.

In His Service,

Mrs.Laarman
